

2022 ACCESS LAW SUMMIT HIGHLIGHTS

ABOUT THE PROGRAM

The HNB Foundation's Access Law Summit is a program designed to give incoming Hispanic law students who want to pursue a job at a corporation or at a global law firm guidance and resources on what to do to achieve their goal. During the program, students heard from leaders at AmLaw 100 firms, global company executives, and law school faculty.

What an incredible resource for incoming Hispanic law students. It's reassuring to know that I now have connections in the industry - from law firms to in-house counsel. Every panelist had so much information to share, and I feel very grateful to have learned so much before law school has even begun.

Now more than ever, we are calling on you to support us in providing access to higher education for Hispanic students.

Your support allows the HNBF to offer valuable educational and life enrichment programs for Hispanic youth, empowering them to attend college, law school, and join one of our nation's most respected professions.

We don't believe in a "one size fits all" approach to sponsorships. Contact us to discuss other ways you can help support the next generation of Latinx lawyers.
