Learn How to Better Position Yourself for a Job at a Leading Law Firm

January 30, 2026
12:45 - 4:15 PM ET via Zoom

Hear from partners managing prestigious law firms as well as associates and counsel working in various practice areas and geographic locations across the U.S. Each panel will be followed by a 15-minute free-form discussion in virtual break-out rooms. The program is open to all students.

“You’re Hired! Now What? Making A Good Summer and Junior Associate”

- Associates working in various practice areas at **BakerHostetler, Debevoise & Plimpton, Haynes Boone, Wachtell Lipton, White & Case**, and **Winston & Strawn** will share their personal experiences and tips on how to succeed at elite firms.

“What Do I Want to Practice? Exploring Different Practice Areas”

- Panelists will discuss their experience working in various practice areas including **Antitrust, Arbitration, Crypto, Employment, Fintech, Funds, Litigation, M&A, Private Equity, Trading Markets** and more.

“The Business Behind Law Firms”

- Hear from top management at leading law firms and get insight into how law firms are managed and what makes them “tick”. You will gain understanding about the financial aspects behind the legal services curtain and how associates fit into firms’ business models, including the path to promotions and eventual partnership.
